MVS3018 – RIBBON CABLE CLAMPS FOR MV3000 DELTA SYSTEMS

A range of kits is available for the purpose of clamping the screened ribbon cables from MV3000 controller to the Delta power modules. The clamp provides electrical bonding of the screen to the system metalwork.

Each kit contains 6 clamps, the difference being the height of the clamp which varies depending on the number of deltas being supported. (Not all 6 clamps will be needed, this is a standard quantity)

MVS3018-4001	EARTH CLAMPS 40WAY x 1 delta	6 Clamps
MVS3018-4002	EARTH CLAMPS 40WAY x 2 delta	6 Clamps
MVS3018-4003	EARTH CLAMPS 40WAY x 3 delta	6 Clamps
MVS3018-4004	EARTH CLAMPS 40WAY x 4 delta	6 Clamps
MVS3018-4005	EARTH CLAMPS 40WAY x 5 delta	6 Clamps
MVS3018-4006	EARTH CLAMPS 40WAY x 6 delta	6 Clamps
